

Building a chatbot and Integrating to the app

Date

29 October 2022

Team ID

PNT2022TMID53891

Project Name

Skills/Job Recommender Application

The screenshot shows the IBM Cloud Watson Assistant catalog page. The browser address bar displays `cloud.ibm.com/catalog/services/watson-assistant`. The page header includes the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and the user account (Saranya Ganesan's Acc...). The main content area is titled "Watson Assistant" and describes it as a service to build conversational interfaces. It features a "Create" button and a "Select a location" dropdown menu set to "Sydney (au-syd)". Below this is a "Select a pricing plan" section with a table showing the "Lite" plan, which is free for up to 1,000 unique monthly active users (MAUs). A summary sidebar on the right lists the plan as "Free", location as "Sydney", and service name as "Watson Assistant-jd". At the bottom, there are checkboxes for license agreements and buttons for "Create" and "Add to estimate".

Plan	Features	Pricing
Lite	Everything you need to get started, free for as long as you need it Up to 1,000 unique monthly active users (MAUs)	Free

The screenshot shows the "Create your first assistant" page in the IBM Watson Assistant console. The browser address bar displays a long URL starting with `au-syd.assistant.watson.cloud.ibm.com`. The page header includes the IBM Watson Assistant logo, an "Upgrade" link, and a "Learning center" link. The main content area is titled "Welcome to the new Watson Assistant" and features a "Next" button. Below this is a "Create your first assistant" section with a text input field for the "Assistant name" (containing "Skill Bot") and a text area for the "Description (optional)". The assistant name field has a note stating: "Your assistant name will be kept internally and not visible to your customers". The description field has a character count of 0/128.

Create an account

This template allows your customers to create an account with your organization quickly and easily. Your assistant collects the required contact and personal information before prompting them to choose a password.

What your customer says...

- Create account
- Start new account
- What is the process to making an account?
- How can I register over here?
- Registration

What your assistant collects...

- Customer first name
- Customer last name
- Customer email address
- Customer phone number

Cancel Select this template

Watson Assistant

Where can I register?

I can help you with that! To create an account, we will need a few pieces of information.

First, please enter your name.

John Doe

Awesome. I'll also need an email address associated with your new account. We will
